THERE was a time, when that record-breaking unbeaten run we had would come to an end. Things haven't gone as well as we would have liked since that hap-

pened—and now we find ourselves looking for a good win to turn the tide back in our favour.

And what better game to do it than today's against the League leaders—the team that has been up

there at the top practically from the word 'Go'.

It's about time that we got our noses in front instead of having to chase games, which seems to have been the pattern we've set ourselves lately. Let's be positive about the job in hand today. We are third in the table and still in sight of the target we have set ourselves and we have already shown Southend that we are not to be taken lightly.

I continue to take the positive line because I have never been negative in all my time in management—and I'm not going to start now.

It is now up to the players to accept their individual and collective responsibilities on the field. They have taken us this far. Now let's hope they can take us even further.

I know they will want to get some of the performances out of their system.

They know as well as I do that it's about time we had a good win.

An update of today's opposition

SOUTHEND UNITED

This afternoon we extend a warm welcome to the players, officials and supporters of Southend United.

After gaining promotion from the Fourth Division last season, Southend have been probably the outstanding side in the Third Division so far. They have scored more league goals (59) and have earned more wins (22) than any other team in the section and look well placed to reach the Second Division for the first time in their 71-year league history.

Last Saturday Southend went down 1-3 at Bournemouth despite taking a 32nd minute lead through leading scorer Brett Angell. Luther Blissett equalised before half-time and the home side won the spoils with two second-half goals, one an own goal by Spencer Prior, the other from Watson. Despite this defeat Southend still led the table with 70 points from their 35 games, two points ahead of Grimsby and nine points clear of fourth-placed Bury, who occupy the first of the play-off positions.

Last season Southend continued their yo-yo around the lower divisions. With four relegations and four promotions since 1976 life has not been dull for the supporters at Roots Hall. Promotion was clinched with a 2-1 win at Peterborough on the last day of the season. Scorer of the goals that day, and top marksman for each of the last three seasons, David Crown, has since moved on to Gillingham.

Crown's replacement, Brett Angell from Stockport, has done well in his first season at Roots Hall and currently leads the Third Division scoring charts.

The side has changed considerably from last season with Dean Austin and Chris Powell earning regular places in defence, Steve Tilson becoming a key man in midfield and Andy Ansah forming a good partnership up front with Angell and the experienced Ian Benjamin. Two other new signings, John Cornwell and Adam Locke, have also featured.

These new recruits have replaced the likes of Paul Roberts, Paul Brush, Mario Walsh, Gary Bennett, Roy McDonough and Justin Edinburgh, who all played prominent roles last season.

Manager at Roots Hall is 44 year-old David Webb, a former defender with Orient, Southampton, Chelsea, QPR, Leicester, Derby and Bournemouth who amassed 550 league appearances in a distinguished career. Now in his second spell in charge with Southend, having also managed Bournemouth and Torquay, Webb is perhaps best remembered for scoring Chelsea's winning goal against Leeds in the FA Cup Final Replay of 1970.

Southend's season has been very much a team effort with 8 players making 30 or more league appearances so far and 4 players scoring 8 or more league goals. At home they have won 12 of their 17 games with 10 wins, a draw and 7 defeats on their travels.

Away wins have been earned at Huddersfield (2-1), Cambridge (4-1), Mansfield (1-0), Brentford (1-0), Reading (4-2), Rotherham (1-0), Crewe (1-0), Shrewsbury (1-0), Fulham (3-0) and Swansea (4-1). Heaviest defeats were at the hands of Stoke (0-4) and Wigan (1-4). Southend have yet to draw in 1991, having won 8 and lost 6 of their 14 league games since the turn of the year.

VISITORS REVIEW

An update of today's opposition

In cup competitions, Southend suffered a second round exit in the Rumbelows Cup, losing 1-10 on aggregate to First Division Crystal Palace. A first round FA Cup defeat was suffered at Leyton Orient but in the Leyland DAF some high scoring wins including 10-1 against Aldershot and 7-0 against Torquay took Southend the regional semi-final where they lost 0-3 at home to Brentford.

Goalkeeper Paul Sansome joined Southend from Millwall three years ago and has missed only a couple of first-team games since. The 29 year-old, who began his career as an apprentice at Crystal Palace, made 156 league appearances during eight years at The Den and is now nearing a career tally of 300 league games.

Dean Austin was a £14,000 signing from St. Albans City and has been a regular since making his league debut at Burnley in April 1990. The 20 year-old right-back was born in Hemel Hempstead and is regarded as a fine prospect. Chris Powell, a former team-mate of Wanderers' David Burke, was a summer signing from Crystal Palace. Prior to this season, eleven of the 21 year-old's 14 career league games were accumulated during a loan spell at Aldershot, but the Lambeth-born defender has been a regular in the Shrimpers' side this term. David Martin moved to Southend from Wimbledon in August 1986 having learnt his early football at Millwall. The 27 year-old former England Youth international, who recently made his 350th league appearance, has been in fine scoring form this season with 14 goals in league and cup to date. Former trainee Spencer Prior, a 19 year-old from Rochford, has fought back bravely from a broken leg sustained last season to play a key role in Southend's defence.

John Cornwell was a £45,000 summer buy from Swindon Town. The 26 year-old made over 200 league appearances for his first club Leyton

BACK ROW (left to right): Dean Austin, Peter Daley, Paul Clark, Mario Walsh, Ian Benjamin, Andy Edwards, Steve Tilson, Paul Smith.

MIDDLE ROW: David Webb (Manager), Kevin Lock (Coach), Brett Angell, John Cornwell, David Martin, Paul Sansome, Peter Cawley, Spencer Prior, Roy McDonough, Danny Greaves (Coach), Alan Raw (Treatment of Injury Officer).

FRONT ROW: Adam Locke, Aidrian West, Jason Cook, Andy Ansah, Chris Powell, Peter Butler, Christian Hyslop.

Orient before a £50,000 move to Newcastle in 1987. He joined Swindon at Christmas-time 1988. Peter Butler, a 24 year-old from Halifax, is a key man in the Southend midfield. After beginning his career with Huddersfield he played briefly for Bury before joining Cambridge in December 1986. He was transferred to Southend in February 1988 and recently made his 200th league appearance. Paul Clark has been a fine servant to Southend since re-joining the club from Brighton in August 1982. The former England Youth international made his league debut with Southend back in 1976-77 season and moved to the Goldstone Ground in a £55,000 deal in November 1977. The 32 year-old was player-manager in Southend's promotion season in 1989-90, when he also enjoyed a testimonial, but has now reverted to a playing role. He has made around 380 league appearances. Steve Tilson has been ever-present for

Southend this season and has scored ten goals in league and cup. The locally-born 24 year-old is now in his third season with the club but this is his first as a first-team regular. He played formerly with Witham Town.

Brett Angell was a summer signing from Stockport County and has made a big impact in his first season at Roots Hall, scoring 25 goals so far, 14 of them in the league. Formerly with Cheltenham Town and Derby, the 22 year-old striker made his league bow in moving to Edgeley Park and last season his first full league campaign, scored 28 goals for Stockport in league and cup. Experienced striker Ian Benjamin joined Southend towards the end of last season from Exeter. The 29 year-old who includes Sheffield United, West Brom, Notts County, Peterborough, Northampton, Cambridge and Chester among his former clubs, scored his 100th league goal at Swansea earlier this month, and has made over 360

league appearances. Andy Ansah, a 22 year-old striker from Lewisham, joined Southend from Brentford a year ago. This season he has been a regular in the side, scoring nine goals so far. Adam Locke, a free transfer signing from Crystal Palace in the summer, made his league debut earlier this season and has been a regular member of the first-team squad. The 20 year-old, from Croydon, is regarded as a fine prospect. Southend strengthened their first-team squad for the run-in by recently taking Spurs forward Paul Moran on loan. The 22 year-old, who hails from Enfield, has spent previous loan spells at Portsmouth and Leicester City having struggled to secure a regular place at White Hart Lane.

SOME YOU WIN, SOME YOU LOSE!

The new club record of 23 undefeated league games has been enjoyed by all at Burnden but there probably aren't too many supporters around who recall the club's worst ever start to a season in 1902/03.

It took 23 league games to record the first victory of the season, drawing just 3 and losing 19 of the opening fixtures. The run ended with a 3-1 success at Notts County in January 1903 and the next four games were all won!

Despite an improved run in towards the end of the season relegation to Division Two wasn't avoided.

Comparisons

A number of comparisons have been made with the current Wanderers against the team that won the Third Division Championship in 1973.

Perhaps the most interesting statistic is the comparison between how each team fared up to the current stage of the season. Assuming three points for a win were awarded instead of two back in 1973 this is how it looks:

	Pl	Home			Away			F	A	Pts
		W	D	L	W	D	L			
1973	36	15	3	0	5	5	8	57	32	68
1991	36	10	5	4	8	5	4	49	40	64

The 1973 team won 5 drew 3 and lost 2 of the final 10 games. Perhaps a similar record would ensure Second Division football at Burnden next season.

WATFORD TO STAGE SEMI-FINALS OF THE CUP

Watford's Vicarage Road Ground will stage this year's Semi-Finals of the Women's F.A. Cup when the four competing teams meet in a double header on Sunday, 7th April.

Arsenal Ladies, seeking to emulate the success of the current First Division leaders, meet London rivals Millwall Lionesses at 11.00 a.m. with the current holders, Doncaster Belles, defending their trophy against Leasowe Pacific at 3.00 p.m.

COMMUNITY NEWS

During the Easter school holidays the Community held a soccer school at Kearsley Sports Centre. All the kids enjoyed themselves with players helping out with the coaching and the prize giving of medals and certificates. We are hoping to hold our next one in Bolton holidays. so get your name down early.

The elder age group of the Junior Whites are having a day out at Blackpool after Easter, arranged by the Community and I hope to have a picture in the next programme, I just hope they behave themselves!

The scheme at this time of year changes over the school activities with All Saints, Farnworth, St Maentius, Bradshaw and Eagle School all coming on to the coaching scheme. I hope the schools are looking forward as much as we are to our visits.

The Junior Whites Player of the Year is now in progress with a number of players heading the list. The kids are certainly making it a very tight race this year, I just hope there is a winner at the end as I don't fancy a recount — so come on kids, get your vote in now.

The Community are looking to hold a Penalty Prize competition for the Junior Whites in the near future with 3 age groups, under 9's, under 13's and under 16's. costing being £1 entry fee; if anyone is interested and wants to get their name down quickly ring the Community office or pop in when passing, we will be happy to see you.

Hope everyone has a great Easter.

Yours ~ Geoff Lomax.

IN CONVERSATION

A look at some of the great soccer stars

Norman is better known around Burnden Park for his activities off the field rather than on, but he's got a record better than most. "I've only missed around 20 games since 1946", he boasts.

He's been serving on committees at various levels for many, many years and was Chairman of Nat. Lofthouse's Golden Jubilee Committee just two years ago. Now he's recently been appointed Chairman of the newly formed Bolton Wanderers Old Boys 'brigade'.

"This is something that's been bugging in Nat's mind for some time" explained Norman, "and it really developed from the Manchester United game this season when all the 1958 FA Cup Final side were there with the exception of Derek Hennin who is sadly no longer with us."

The idea is that anyone who has played in a Bolton Wanderers jersey should become a member. The committee is planning a 'get together' night the week before this year's FA Cup Final when all ex-players are welcome to attend.

"Bryan Edwards

NORMAN BOARDMAN (Chairman)

B.W.F.C. Old Brigade

tells me they have one at Bradford City, where he is trainer and he reckons the membership is bursting" Norman continued.

On the committee Norman has the backing of Secretary, Ralph Gubbins, Roy Hartle, Nat, Executive Club manager Graham Edleston and Executive Club member John Swarsbrick who is acting treasurer.

Norman Boardman said, "I really thought the chairman should be

an ex-player but when Nat suggested me, what can you do?"

You see, the Nat and Norman relationship goes back to 1953. "That was when I was on the Committee at Darcy Lever Conservative Club and the Club was really struggling then" explained Norman, "so we organised a Darts competition and it was a huge success and secured the Club's future. Nat agreed to present the prizes and it was that

gesture that brought us together, and we have been friends ever since."

Being a life long supporter of the Wanderers, Norman has many, many memories of good players who have passed through the Club. He's watched Bolton on four occasions at Wembley which he regards as highlights. "There were the 1953 and 58 Finals and more recent the Sherpa Van Trophy. On each occasion we lost the first one" ne pointed out.

Once membership to the 'old brigade' gets underway the committee is ready to organise various functions such as Dinner Dances, Company Golf Days, and events around Christmas time.

Away from Burnden Park, Norman is Chairman of Conquest Joinery, in Darcy Lever, and still works alongside the lads on the shop floor on occasions, but always insists a lunch break relaxing in the Executive Club.

Norman urges any ex-player just to turn up at Burnden Park on enrolment night which is scheduled for 11th May.

PLAYER OF THE SEASON 1990-91

CAREER RECORD

Today we take a diversion from our normal interviews and take a look at the leading contenders in the end of the season player of the year awards. This annual event which is polled from the Development Association Agents is usually a close run thing with a number of players already this campaign staking their claim for this prestigious award.

David Felgate, former winner who has been in outstanding form this season, proving time after time what value he was costing just £16,000 from Grimsby in February 1987, everpresent this season along with captain Phil Brown whose leadership qualities are so inspirational to his team mates while left back Barry Cowdrill will be hoping to maintain his grip on the trophy after winning the award last season. Central defenders Mark Seagraves and Mark Winstanley both have strong claims with commanding performances in the heart of defence while flying winger Stuart Storer has by far had his best season for the Club since joining us from Everton in December 1987. Scott Green has proved this season what a good signing he has been since moving to Burnden last March from Derby County while newcomer Mark Patterson might well have to wait to feature in next season's awards with him only being at the Club for around three months. Another popular selection would be midfield ace Steve Thompson, currently

the longest serving professional at the Club at just twenty-six with well over 400 games already to his credit. Bolton born workhorse Julian Darby is another front-runner. Already in double figures with his important goals this season. Twin strikers David Reeves and Tony Philliskirk are sure to have plenty of support in the voting stakes with the popular pair both making vital contributions this season. Super subs Paul Comstive and Alan Stubbs themselves have played their part when called upon.

So all in all its going to be pretty interesting to see how the development agents vote this year. Will we see a new name of the impressive trophy? All will be revealed on Wednesday, 8th May.

PS Voting forms will soon be available from the Commercial Department.

RESERVES NEWS

A look at the club reserves

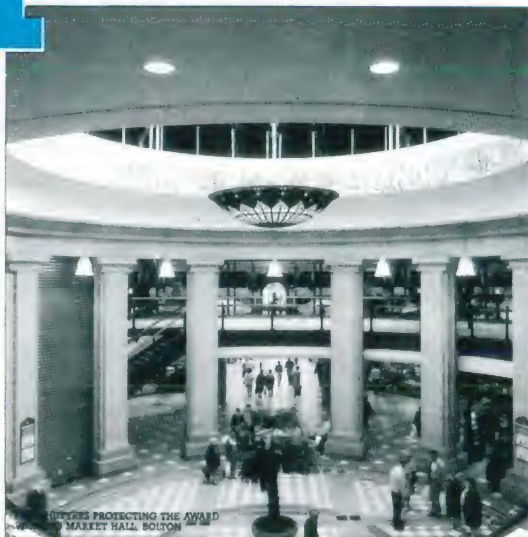

The reserves have once again had an enforced lay off in recent weeks. Firstly they were without a game during the week 13th March and then the scheduled encounter against York City at Burnden was called off after the torrential rain.

The promotion race has now become a perm any four from five clubs affair. both Barnsley and West Brom, who have each only lost once this term, have taken an eight point advantage over third placed Hull City.

The Wanderers have still to visit both Barnsley and Bradford City whilst West Brom have to come to Burnden. The Yorkshire sides won at Burnden earlier in the season whilst the scoreless draw earned at West Brom, who have the best defensive record in the league, was a close fought affair.

REVIEWING 1984...

6th February, 1984.
League Division Three
Attendance: 1,594

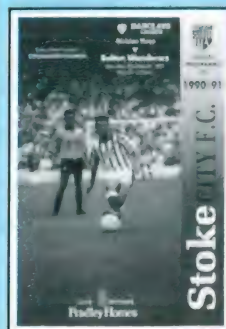

Southend Utd. 0 — 1 Bolton Wand.
(Caldwell)

Last Saturday we encountered another £1 priced programme when we visited Stoke. The cover was very attractive with good use made of the colour photograph but the overall design inside the issue and general look of colour spread through the issue was ineffective.

Interesting articles of note inside the programme included Division 3 News and Views while the three page coverage of the Wanderers was quite good.

For my money Stoke don't really utilise the larger A4 size format to their advantage and this takes away from what in patches is a decent programme. The whole design of the programme leaves one puzzled with various ideas and themes not quite jelling. Its a pity really because content wise their really does seem to be a lot of input put into it.

Overall view, hit and miss really, but certainly better than a number of others on our travels this season.

A lighthearted look at football

Put away your Easter Eggs this afternoon because the league leaders are in town. Southend were probably not one of the recognised promotion favourites at the beginning of the season but they have had a fine season so far and could well be playing Second Division football next season with hopefully ourselves there also.

Our encounter at Roots Hall back on Boxing Day was a even encounter with Scott Green earning the Whites a share of the spoils with a late equaliser, lets hope the return fixture today can see the Wanderers pick up a valuable three points and cut back the lead Southend have opened up at the top of the Division.

It's interesting to note that Southend have only drawn four out of their thirty five League games to date with their ten away victories only equalled by Sheffield Wednesday through-

WELL DONE GEORDIE BOYS!

out the entire Divisions. Brett Angell has been on target for them prolifically this campaign—what a good signing he has turned out to be—since joining them from Stockport County. You could say 'who will hit the target first when the action begins at three o'clock?' with Angell and our very own Tony Philliskirk numbers one and two in the Third Division goalscoring charts.

With another vital encounter coming up on Tuesday night at Cambridge these Easter fixtures are going to prove crucial in the promotion reckoning and with Birmingham down here at Burnden Park a week on Sunday, yes on Sunday—it's going to be pretty tough but exciting.

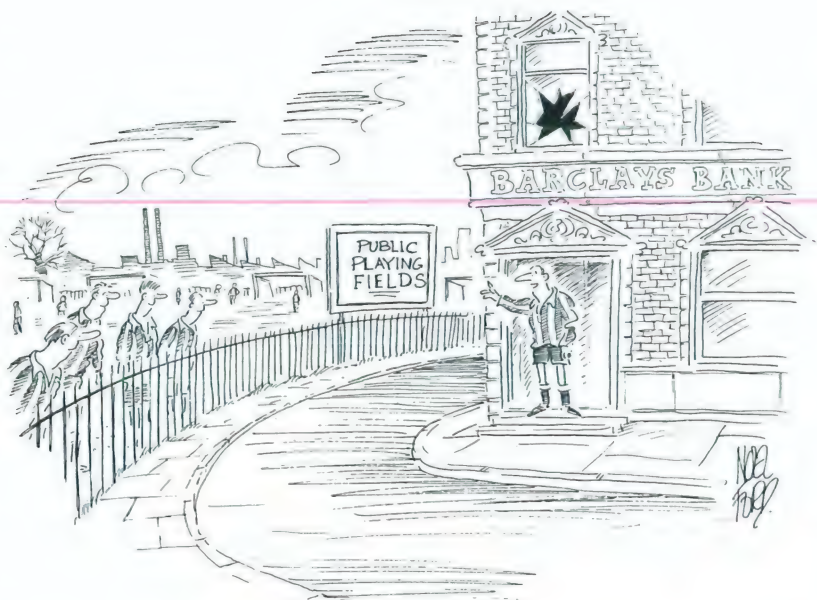

Just a word or two about that Birmingham game which incidentally if you didn't know kicks off at 12.00 which should see quite a few sore heads on the terraces if you haven't come round from the night before. But on the plus side it should be a very good attendance with it being the only local game being played.

Moving on to the P.F.A. awards last Sunday night and it wasn't just Mark Hughes and Lee Sharpe who were celebrating but our two boys—captain Phil Brown and leading scorer Tony Philliskirk—who were both selected by their fellow professionals into the Division Three team. A marvellous achievement by any standards and

if I can remember rightly, Phil seems to have been awarded this fine feat for the past few seasons. The captain as we all know leads by example but I wonder if he was too pleased with the press release which stated 'veteran defender'. Never mind Phil, we will all chuck in and get you an inscribed zimmer frame!

Regarding Tony Philliskirk's selection, the lad really deserves it. His goal ratio per games played is brilliant and one of these days he is going to grab a hat trick. I for one hope it is this afternoon. The only surprise omission from the team honoured is that of Steve Thompson, and I cannot understand why. The classy midfielder must be disappointed to miss out because he's probably the most creative player in the Division.

Enjoy the action; let's get right behind the lads from the word go and shout them on to victory.

The Wanderers entertain Southend United today for the fourth time in the football league, all of which have taken place at third division level.

In the previous seven league games between the clubs no less than four have resulted in draws. The teams first met in October 1972 here at Burnden when a 1-1 draw resulted.

Ron Phillips put Bolton in front after only 75 seconds when his corner flew into the net with keeper Derek Bellotti under pressure from Paul Jones. Dave Elliott equalised for United two minutes from the interval and this left Bolton having dropped a second successive home point to a club newly promoted from the fourth division. Two weeks earlier Scunthorpe United had

United keeper Derek Bellotti can't prevent Ron Phillips corner entering the net in October 1972.

forced a goalless draw.

In March 1973 Bolton made their first visit to Roots Hall and again a 1-1 draw was the outcome. On this occasion it was Southend who took the lead through Peter Taylor in the 56th minute but Paul Jones secured a point when he headed home a right wing corner.

The clubs didn't meet again in the league until October 1983 when two Tony Caldwell goals gave Bolton the points at Burnden. His first came four minutes

from the interval from a 25 yard shot and his second in the 70th minute by way of a close range header.

Bolton completed the double that term when in February 1984 Tony Cladwell converted a Warren Joyce cross for the only goal thirteen minutes from time.

Southend completed their only league win over Bolton on the opening day of the 1988/89 season with a 2-0 success at Roots Hall. Danny O'Shea and David Crown scored the goals but on

United's last visit to Burnden, in March 1989, the game ended scoreless.

This term's game at Roots Hall took place on Boxing Day and resulted in a 1-1 draw. Steve Tilson fired United in front after 67 minutes but substitute Scott Green hit Bolton's reply seven minutes from time.

Our overall league record against Southend is as follows:-

PLAYED FOR BOTH CLUBS

Scotsman James McClelland began his football career with Raith Rovers before moving to Southend in 1923. He led the clubs scoring charts during 1924/25 with 16 goals in 23 games and in March 1925 returned North to join Middlesbrough.

He was an everpresent the following term for Boro scoring 32 goals in 38 games and helped the club to promotion to Division One a year later.

In March 1928 a fee of £6,300 secured his signature for Bolton and he took his place in the forward line after John Smith had moved on to Bury.

He scored on his debut for the Wanderers but spent only 18 months at Burnden, winning an FA Cup winners medal during

that time, joining Preston North End in a £5,000 move.

He later had spells with Blackpool, Bradford, teaming up with former Wanderer Harold Blackmore, and ended his league career with Manchester United.

There was little improvement on the playing side as far as the Wanderers were concerned. Failure to qualify for the league competitions were again the consequences of being unable to field settled teams.

The most impressive win of the season came at the end of October, when goals from Lofthouse and Currier gave the Wanderers a 2-1 win at Blackpool, inflicting the Seaside's first home defeat since Christmas Day 1941.

The latter was the second leg of the Lancashire Cup final, the Wanderers having defeated Manchester United, Bury and

Stockport County in a 3-0 win at previous rounds Oldham. Liverpool proved too strong however and they took the trophy with a 6-3 aggregate win.

Football became secondary when the news of the death of the club's captain Harry Goslin reached the town. Lieutenant Goslin was wounded in action whilst with the 8th Army Central Mediterranean forces and died on December 18th.

Goslin was a popular captain and exemplary athlete and it was he who had in-

spired the Wanderers staff to join the Territorial Army in the summer of 1939. He had since led a bunch of them in France, Africa and Italy and had escaped from the beaches of Dunkirk in 1940. His influence was a loss not only to the football club but to King and Country.

Important matches officiated in include our 1989 Sherpa Van Final against Torquay. He is married with one son and is employed as a Primary Head Teacher. His interests and hobbies include gardening, theatre, music as well as talking Refereeing.

HELPING THE GAME

A fine new stand - one of the many initiatives supported by Trust funds

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettlers. This money will be invested in projects which benefit football throughout the United Kingdom.
